

JAX FRAY

// GAME PLAY

// General League Rules

1. We use 52-300 softballs. Recommended bat type/certifications is ASA/USA.
2. Dogs are allowed at the park. However they may not be left tied up unattended in the dugout, as a barking dog is a distraction to all players, and is unfair to the team at bat. If you bring a dog, and only have 10 players present, you must keep one defensive player in the dugout to be with the dog.

// Pitching

1. A “strike mat” will be used to determine a sure strike. If in use, a strike will be called if the softball touches any part of the mat OR home plate.
2. A legal pitch has a 6'-12' arc. Too low, or too high balls will be called a ball, regardless of whether or not it hits the Mat. However, if the batter chooses to swing at this pitch, it cancels out the illegal pitch and the result of their swing stands.
3. During the pitching motion, the Pitcher MUST make contact with the pitching rubber at some point during the pitch while the ball is still in their possession. If taking a step forward from the rubber during the pitch, the pitcher may not take more than one step before throwing the ball.

// Fielding

1. All thrown balls are deemed out of play when:
 - a. The ball is thrown over or beyond the fence / road / safe area of play.
 - b. The ball is thrown beyond the imaginary line extending from the end of the backstop (if there is no fence). This imaginary line applies to overthrows and caught fly foul balls.
 - c. If the ball is overthrown and hits the fence behind the 1st or 3rd base lines, this is NOT considered out of play and runners may advance at their own risk.

- d. On overthrows out of play, the runner is granted the base they were going to (at the point of the throw) plus one more. Note: in cases where a base runner runs past first base, they must make a clearly aggressive turn towards second base to be granted 2nd and 3rd in overthrow situations.
2. Outfield Encroachment Line: Outfielders may not play closer than 200 feet from home plate while a girl is at bat. This line is to encourage fair play and will be set up by your umpire and marked by cones down the foul lines and/or across the field. If a male is at bat, the line is not enforced.
3. On an infield fly (any fly ball **within the infield** with significant arc and deemed an "easy catch") with less than 2 outs and runners on 1st and 2nd or 1st, 2nd and 3rd, the batter is automatically out and runners can advance at their own risk.
4. We will provide a pitching screen that must be used by all pitchers. If a ball hits this screen, it will be ruled a "Foul Ball". This Foul counts towards the "2nd Foul ball on strike 2" rule.

// Batting

1. All players in the field must be listed in the batting order. Teams may bat more than ten (10) players. Players are not required to play in the field in order to bat.
2. Batting order must consist of a 2-1 ratio. For every 2 male batters in a row, a female batter must be next. No more than 2 men may bat in a row.
3. Females can bat multiple times in the lineup to achieve this ratio. If females are batting more than once in a lineup, their rotation must stay in order. *All females must evenly rotate through the female batting positions.
4. All batters will start with a one ball, one strike count.
5. If a male is walked with two (2) outs and a female follows him in the batting order, the female has the choice to take a walk or bat. The umpire is not responsible for notifying the batter. This walk CAN score a run.
6. A batter with two (2) strikes is allowed one (1) courtesy foul ball. On the 2nd foul after the batter has two (2) strikes, the batter will be called out.
7. **Home run limit rule:** Each team is allowed 2 out-of-the-park home runs per game. Any subsequent home run after the limit is reached is an automatic out. If both teams hit their 2 allotted home runs, each team shall receive 1 additional home run. If both teams hit their 3rd home run, both teams shall be awarded 1 additional home run. This shall continue throughout the game with no team allowed to score more than 1 home run more than their opponent.
8. If the batter hits a foul ball that is caught by the catcher, it will only count as an out if: The ball reaches a height of 6ft or higher, and does not impact any object before being caught. (Fence, Tree, etc.)
 - a. If the tipped ball does not go over 6ft before being caught, it will only count as an out IF there were already 2 strikes on the batter. If there was only 1 strike on the batter, it is ruled a foul tip.

// Scoring

1. Inning run limit rule: There will be a seven (7) run limit per inning for innings 1-5. Unlimited runs may be scored in innings 6 and 7 and the final inning of the game.
 - a. If a team hits a home run and the 7th run is on base, then all runs, including the home run hitter, count. Ex: A team has 6 runs and 2 runners are on base when the batter hits a home run. All 3 runs (2 runners and 1 hitter) count.
2. Game mercy rule: If a team is 12 runs up after five innings, the game will be called. However, if the losing team chooses to continue playing, the game will end exactly when time expires, even if time expires in the middle of an inning.

// Base Running

1. No lead offs or stealing. Runners can leave the base once the ball is hit by the batter. If a runner leaves early, the ball is dead and the runner is declared out. If this is the 3rd out of the inning the batter up to bat will be first up in the next inning
2. On balls that are caught for an out, the runner must tag up before advancing to the next base. If the ball is thrown to the base that they left before they get back to it, they will be ruled out.

// Game Duration

1. All games are seven (7) innings or fifty-five (55) minutes with no new inning started once fifty (50) minutes have elapsed. The umpire will announce when time has expired.
2. Game mercy rule: If a team is 12 runs up after five innings, the game will be called. However, if the losing team chooses to continue playing, the game will end exactly when time expires, even if time expires in the middle of an inning.
3. Regular Season Games can end in ties. Playoff games will continue until a winner is decided.
4. In the event of a tie during Playoffs at the end of the final inning as announced by the umpire, Extra innings will be played as follows:
 - a. 1st inning after tie: Played as normal.
 - b. All Following innings: Each batter will start with a 2 balls - 2 strikes (2-2) count in place of the standard 1 ball - 1 strike count

// Safety

1. Sliding is allowed. But is done at the sliders own risk.

2. Any excessive contact or collision with another player will result in an "out" and/or ejection. This includes contact with the catcher.
3. There is no intentional contact between the runner and defensive player at home plate. If contact is made, the runner will be declared out/safe depending on which player initiated the unnecessary contact.
4. "Trucking" or attempting to run someone over is illegal. If a player intentionally trucks or runs someone over in the opinion of the Host, they can and WILL be ejected from the Game and the League.
5. If a Runner or Player from the batting team intentionally interferes with a defensive player or intentionally gets in the way of a hit ball, the offensive player will be declared out. This includes base coaches and sideline standers.
6. If a hit ball contacts a runner, and the runner was not aware of or could not get out of the way of the ball in the eyes of the umpire, it will be ruled a dead ball, and be counted as a foul. This "foul" counts towards the strike count, but cannot count as the "2nd foul" on strike 2 to be ruled an out.

***If a rule is not explicitly stated in the Jax Fray Softball Rulebook, Please defer to official ASA rules for that specific rule alone.**

// GENERAL POLICIES

Fray is proud to relieve captains of the burden of paying for full teams. We accept individual player payments and allow prepayment for additional players and/or full teams. We are also proud to welcome those who do not have a full team (small groups and free agents) to participate in our league.

Because our mission is to make fun possible, these policies make it easier for people to get involved with and build community through social sports.

All registrations are on a first come, first serve basis. Any roster that does not reach our official size (based on each sport) is eligible to receive free agents and/or small groups. Rosters made up of primarily free agents and/or a collection of small groups may have more players than the standard roster size. This policy is in place to help ensure free agent teams are able to consistently field a team each week.
