FLAG FOOTBALL RULES

// PLAYER ELIGIBILITY

1. All Players must be at least 21 years of age and have current, adequate health insurance.
2. All players must be properly registered on a team during the season for which they are playing.
 - a. If a player is registered on more than one team within the league, they may only play for one team in the playoffs.
 - b. All players must agree to the Fray Liability Waiver as described in the Fray Terms and Conditions section of Player Registration.
3. Any use of an ineligible player will result in a forfeit.

// GAME PLAY

- 1. Starting the Game:** The game will start with a game of “Rock, Paper, Scissors” between the two Captains, followed by controlled possession. There are no kickoffs.
 - a. The winning team will then have one of three options: Offense, Defense, or Direction. The team that started the game on defense will start the second half on offense and vice-versa. Teams will also reverse direction of play.

b. Flag Leagues: possession starts ten (10) yards/paces from the goal line c.

2. Scoring: To score, the ball must cross the goal line with the ball carrier establishing & maintaining possession in bounds. There are no field goals.

a. Touchdown = 6 points

i. One (1) Point Attempt – five (5) yards/paces

ii. Two (2) Point Attempt – ten (10) yards/paces

iii. Flag Leagues: Extra point attempts may NOT be intercepted and returned for points.

b. Safety = 2 points

i. The team on defense receives 2 points, and then starts a new possession from their own 10 yard line. A safety will be scored if a player is:

1. Tagged down in their own end zone (not on a punt return).

2. Runs out of bounds in their own end zone.

3. Snaps the ball out of the endzone.

4. The offense fumbles the ball in their own end zone.

ii. A player having intercepted a pass or received a punt in the end zone cannot be downed in the end zone for a safety unless they had previously crossed the plane of the end zone with the ball.

3. Line of Scrimmage:

a. The line of scrimmage is established at the location of the ball when the ball carrier is downed. Ball extension for additional yardage is permitted.

i. The offense must have at least five players at the line of scrimmage before the ball is snapped. All offensive players, except one player permitted to be in

motion, must be set for at least one second before the ball is hiked.

ii. Offensive players must line up within 15 yards of the ball. No sideline sneak play (or similar).

iii. Only one offensive player in motion is allowed each play. They may move in any direction before the snap. At the time of the snap, they must not be moving in a forward direction.

4. First Downs: The offense has four downs to gain another first down or score.

a. First downs are earned each time the ball reaches the next marker from where the ball was originally spotted.

b. Offensive teams may elect to punt on fourth down.

5. Dead Balls: Play will continue until:

a. The ball carrier is downed.

i. Flag Leagues: Ball carrier is deflagged by an opponent or downed by a one hand touch. One hand touch is in effect if a player's flags fell off inadvertently and/or were illegally removed prior to catching the ball.

b. The ball carrier goes out of bounds.

c. The ball carrier scores a touchdown or extra point.

d. The ball carrier's knee or elbow touches the ground.

e. The defense scores.

f. The ball touches the ground as a result of a fumble, punt or incomplete pass.

g. Referee sounds a whistle.

i. Inadvertent Whistle – If the referee inadvertently blows a whistle after the receiver has caught the ball or is running, the ball is dead at that point. If an inadvertent whistle is blown before the quarterback has thrown the ball or the ball is in mid-air, then the play will be redone.

6. Receivers: All players are eligible receivers. Receivers need only one (1) foot in-bounds with possession of the ball to be considered a catch.

a. If a player runs out of bounds (end zone or sideline) prior to a pass, they become ineligible unless a defensive player forced them out of bounds.

b. If a receiver is in midair, catches the ball, and is forced out of bounds by a defender prior to landing, the pass will be considered complete.

c. Offensive players CANNOT dive to further advance the ball.

7. Quarterback Run & Rushing:

a. The quarterback can run the ball **ONLY** if the defense rushes in following the rush count.

b. There is no immediate rush. The defense cannot rush the quarterback until:

i. A 5-one thousand rush count followed by the word “GO!” by the Line Judge. The count will be as follows: “1- One Thousand, 2- One Thousand, 3- One Thousand, 4- One Thousand, 5- One Thousand, GO!!” The defense may not cross the line of scrimmage until the referee says

“GO!”

ii. The quarterback does a hand-off, lateral, or pass before or after the rush count.

c. Silent snaps are not permitted. The player calling the snap cadence must receive the snap. The player receiving the snap may not be in motion.

i. If the ball hits the ground on the snap, the play is “dead”, the ball is

spotted where it hit the ground, and it is a loss of down (i.e. if it was 1st down during the bad snap, it is now 2nd down).

8. Blocking & Contact: All players must attempt to avoid contact with other players. Blocking at or behind the line of scrimmage and/or down field is not permitted, Aggressive contact and the “bump and run” are not permitted. Moving picks are regarded as illegal blocking.

- a. There is no contact at the line of scrimmage
- b. Players acting as the offensive line must have their hands behind their backs or at their sides when protecting their quarterback from pursuing defensive rushers.
- c. The offensive line can position their body at any particular angle in an attempt to direct the rushers to a particular area, but they may not physically direct them.

9. Punts: A punt must be declared and cannot be faked. A team does not have to snap the ball during a punt as a dropped snap during a punt is not a fumble. The receiving team may not raise hands or jump to block a punt.

- a. Punts must be kicked. Punts cannot be thrown.
- b. Punts are “open” plays.
- c. The kicking team may not cross the line of scrimmage until the ball is kicked. The kicking team cannot recover their own punt. If the kicking team touches the ball before the receiving team, it is a dead ball and is spotted where it was touched.
- d. There is no minimum number of players required on the line of scrimmage during a punt.
- e. If a punt is caught, it is a live ball and is returnable.
- f. The receiving team can run up the field but cannot block.

g. If the ball comes into contact with the ground after it has been punted, it is a dead ball and may not be returned. The ball is spotted at the point where it hit the ground.

h. A punt through the end zone and a dropped punt in the end zone are touchbacks. The ball is placed at the designated starting distance from the goal line.

10.Change of Possession

a. Score

b. Interception

c. Offense fails to score or earn another first down. The opposing team gets the ball at the previous line of scrimmage.

d. Offense punts the ball on fourth down.

e. Loss of down penalties which occur on fourth down

f. Fumbles cannot be turned over unless the fumble is caught in mid-air. If the fumbled ball touches the ground, it is dead at that point and the line of scrimmage is moved there.

// Coed Specific Rules

1. There must be at **MINIMUM**, 3 females on the field per team at all times. There is no maximum limit to the amount of females allowed on the field.

2. The offense must involve a female player as an “operative player” within three (3) consecutive downs. If two consecutive plays during a possession exclude females, then the following play is “closed” and must include a female operative player. The closed play count is reset after each change of possession.

3. On a closed play, a male quarterback cannot run for positive yards even if he is rushed. If a male quarterback is sacked on a closed play, the down is lost and the closed play carries over to the next down.

a. An Operative Player is defined as a player who:

i. Is the intended receiver in the eyes of the official. The ball must CLEARLY be intended for a female receiver for it to count. Example: if the ball is 5+ yards away from the female, it will not be counted.

ii. Runs the ball as the primary runner (an attempt has to be made to cross the line of scrimmage).

iii. Receives the snap as the Quarterback and throws the ball forward towards the line of scrimmage (ball does not have to cross the line of scrimmage).

iv. If the female player is sacked, throws an incomplete pass, loses yards, or does not catch the ball, the down still counts as a closed play.

b. An Operative Player is NOT defined as a player who:

i. Hands off or pitches the football.

ii. Snaps the ball into play.

iii. Receives a hand off only to give it back to a male before crossing the line of scrimmage.

iv. Receives the snap and immediately spikes the ball at her feet in order to stop the clock in the last 2 minutes.

c. Intentional grounding – Loss of down; ball spotted at point of infraction (QB's release point).

// Overtime

1. Overtime will use the Four Downs & Out format.

2. Overtime will begin with a coin toss by the referee.

a. The team that wins the coin toss decides if they start on offense or defense (there is no option to decline). Their opponent will decide which endzone to use. Both teams will attempt to score in the same endzone.

3. Each team will have 4 downs to score from ten (10) paces/yards out from the goal line. If a team scores, they will have the opportunity to go for one (1) or two (2) extra points. The game will be decided when one team scores more points in the rotation.

// GOLDEN RULE

First and foremost, all Fray leagues are 50% Social and 50% Sport. While we have staff // officials, we expect individuals to respect the league's culture of fair and fun play. Foul language and rough play will not be tolerated. Individuals who cannot adhere to our standards of fair play and sportsmanship may be asked to leave the league. We want everyone to have fun and be social while enjoying a great sport. We will do whatever we can to make sure all players are having fun!

// GENERAL POLICIES

Fray is proud to relieve captains of the burden of paying for full teams. We accept individual player payments and allow prepayment for additional players and/or full teams. We are also proud to welcome those who do not have a full team (small groups and free agents) to participate in our league.

Because our mission is to make fun possible, these policies make it easier for people to get involved with and build community through social sports.

All registrations are on a first come, first serve basis. Any roster that does not reach our official size (based on each sport) is eligible to receive free agents and/or small groups. Rosters made up of primarily free agents and/or a collection of small groups may have more players than the

standard roster size. This policy is in place to help ensure free agent teams are able to consistently field a team each week.
