// PLAYER ELIGIBILITY

- 1. All Players must be at least 21 years of age and have current, adequate health insurance.
- 2. All players must be properly registered on a team during the season for which they are playing.
 - a. If a player is registered on more than one team within the league, they may only play for one team in the playoffs.
 - b. All players must agree to the Fray Liability Waiver as described in the Fray Terms and Conditions section of Player Registration.
- 3. Any use of an ineligible player will result in a forfeit.

// GAME PLAY

- 1. **15-20 minutes per time slot.** A match will consist of two teams playing a best of nine (9) frames series. Each frame is one full game with 9 rolled balls.
 - a. Each team must have a minimum of 3 rollers per frame. No player may roll more than 3 balls in any given frame.

- b. If a frame ends in a tie, there will be a one ball tie breaker roll off. All tie breaker rolls must be thrown between your legs and behind your back (back facing the machine).
 - Each team will select 1 of the 3 rollers from the tied frame to compete in the tie breaker. The player that scores the highest wins the roll off. This process will continue until a winner is declared.
- Teams will switch lanes at frame 5. If teams wish to choose their lane prior to the start of a match Captains or a designated player will play Rock Paper Scissors for the choice of lane. The winning team for Rock Paper Scissors will also choose the method of roll for the HOTSHOT frame, detailed below.
- Frame 5 will also be the "HOTSHOT" frame. During this round balls may only be rolled in a specific method. The host will announce the types of hotshots available to choose from during the Rock Paper Scissors bout at the beginning of the match.
 - a. Some examples of hot shot rolls, but not limited to, are below. The host will also explain & demonstrate each option beforehand:
 - i. Non-Dominant Hand (Opposite of Players normal handed roll)
 - ii. "Granny Shot" (both hands)
 - iii. Windmill (each roll must be rolled in a windmill or softball pitch motion)
 - iv. Skee-la-rina (Spin around prior to rolling the ball, while holding the ball in the air, "Ballerina style")
 - v. 100's only (Each roll must be clearly aimed at the 100 hole,)
 - vi. AND MORE!
 - b. IF a mulligan is used, the hotshot method will still be in play during the mulligan.
- 4. Every ball must be rolled while standing with both feet on the ground and located behind the machines (i.e., no rolling from the side of the lane) Violating this rule will result in a score of zero for balls rolled during the infraction.
 - a. Any shot thrown while observing the previous rules and counted by the machine (including Bank shots) is permitted.
- 5. Balls that fail to enter the scoring zone and roll out or otherwise return to the thrower are able to be re-thrown.

// Scoring

- 1. Skeeball scores presented on the machine's screen will be divided by 10 (the zero dropped) to simplify scoring.
- 2. The first team to win 5 frames wins the match. (out of 9 frames total)

- 3. Scores will be entered into commi.sh as the overall frame score.
 - a. Example: 5-4 (5 frame wins to 4 frame wins)
- 4. Mulligans Each team will have ONE (1) mulligan to re-roll one frame and one frame only. The team must decide immediately after the frame is finished that they will be using their mulligan for that specific frame.
 - a. If one team starts their mulligan, the opposing team has until before the 4th ball has been rolled to declare whether or not they would also like to use their mulligan.

// Scoring Errors or Machine Malfunctions

- 1. Fray leagues play on machines of various ages, models, and styles.
- Scoring errors are an inescapable part of working with these machines. When a scoring error occurs, the witnessing party must immediately bring the scoring error to the attention of the other team and host.
 - a. If both captains are able to agree upon the alteration of the score to fix the machine error, the game may continue.
 - b. If captains are unable to agree, the host will make a judgment ruling given the testimony of the captains and their personal knowledge of the machines and determine the score alteration. The host's ruling is final.
 - c. Scoring errors do NOT result in re-rolls or voided frames.

// GOLDEN RULE

First and foremost, all Fray leagues are 50% Social and 50% Sport. While we have staff // officials, we expect individuals to respect the league's culture of fair and fun play. Foul language and rough play will not be tolerated. Individuals who cannot adhere to our standards of fair play and sportsmanship may be asked to leave the league. We want everyone to have fun and be social while enjoying a great sport. We will do whatever we can to make sure all players are having fun!

// GENERAL POLICIES

Fray is proud to relieve captains of the burden of paying for full teams. We accept individual player payments and allow prepayment for additional players and/or full teams. We are also proud to welcome those who do not have a full team (small groups and free agents) to participate in our league.

Because our mission is to make fun possible, these policies make it easier for people to get involved with and build community through social sports.

All registrations are on a first come, first serve basis. Any roster that does not reach our official size (based on each sport) is eligible to receive free agents and/or small groups. Rosters made up of primarily free agents and/or a collection of small groups may have more players than the standard roster size. This policy is in place to help ensure free agent teams are able to consistently field a team each week.
