// Kicking

1. All kicks must be made by foot or by leg below the knee.
 - a. **Bunt Line:** A bunt line may be used. All kicks must travel past the 15ft-marked kicking line. Any kick fielded inside this zone will be ruled a foul ball.
2. All kicks must occur at or behind home plate. The kicker's plant foot may not fully pass the strike zone line and/or be in front of the plate.
3. Double Kicks are when a kicker contacts the ball 2 or more times during an attempt to kick the ball. This results in a foul ball.
4. Teams must kick in their written kicking order. Kicking out of order results in an out for the spot in the order that was due up according to the written lineup. The kicking lineup will continue to the next spot in the lineup.
5. Females must not kick back to back in the lineup
6. **Glow:** Kickers must begin and end their kick in a stationary spot behind home plate. Both full kicks (with intent to blast the ball to infinity and beyond) and bunts are not permitted. This is to protect kickers, base runners, and fielders.

2. A legally kicked ball that lands in fair territory beyond the 1st base or 3rd base.
3. A legally kicked ball that lands in fair territory or in the Catcher's Zone, and touches or is touched by a Fielder or Baserunner in fair territory prior to the ball traveling into foul territory.

4. A legally kicked fly ball that is in fair territory when it is touched by a Fielder or Baserunner.

// Strikes

1. The Strike Zone is 41 inches wide (1 foot to either side of home plate) and approximately 1 foot high as measured from the bottom of the ball to home plate.
 - a. There will be a cone placed on each side of the plate to mark the strike zone. The inside edge of each cone, is considered the edge of the strike zone.
 - i. If the Center of the ball, is inside of the strike cone edge, it is considered a strike.
 - ii. If the Center of the ball is over the top of the strike cone at all, it is considered a ball.
2. Any attempted bunt or kick that does not make contact with the ball.
3. Any kick that is ruled 'foul' will be counted as a strike.

// Balls

A pitch may be called a BALL only if

- the middle of the ball hits or bounces over any part of the strike zone cone
 - the ball is completely outside of the strike zone cones
 - the ball only bounces once before the strike zone
 - the ball is above 1 foot high at the time it crosses the strike zone line
1. Four (4) balls is a walk.
 2. Any time a Catcher makes contact with a pitched ball before the ball has traveled past the Kicker whether or not the Kicker was intending to kick it.
 3. A Pitcher may intentionally walk a kicker by informing the Head Referee before throwing any pitches. A Pitcher is not required to throw any pitches to intentionally walk a kicker. This can only be done **ONCE** per game.

// Fouls

1. Any bunt or kick that lands in foul territory outside of the Catcher's Zone.
 - a. **Bunt Line:** Any kick that lands in the no-bunt area and does not travel in fair territory beyond the 15-foot kick line.

2. Any kick during which the kicker steps fully in front of Home Plate. (The defense gets the advantage in this situation. If the defense gets an out on the kick, they can take the out. However, if the defense does not get an out, the kick can be ruled 'foul'. The referee will not call "foul" until a play on the ball is made.
3. Double Kicks: When a kicker contacts the ball 2 or more times during an attempted kick
4. Any kick that does not occur below the knee.
5. Any legally kicked ball that lands or is touched by a Fielder in foul territory or in the Catcher's Zone.
6. Kickers are allowed only 1 courtesy foul ball once they have 2 strikes. If the kicker kicks an additional foul ball after the courtesy foul ball, they will be ruled out.

// Baserunning

1. Baserunners may not lead off or steal bases.
2. Baserunners may not run more than 4 feet outside of the baseline.
3. Baserunners have the right-of-way within the baseline unless a Fielder is making a play on a fair ball in the baseline. In that instance, the Fielder has the right-of-way.
 - a. In rare circumstances, a Baserunner and Fielder in the act of making a play on the ball may collide due to Baserunner/Fielder movement. It is up to the discretion of the Head Referee whether to call the Baserunner out for interference or declare the contact as incidental and allow the play to stand.
4. Baserunners may overrun 1st base as long as they continue their run into foul territory. If a Baserunner turns towards 2nd base as if attempting to advance, they are in play and may be tagged out.
5. Baserunners may be substituted by players of the same gender if the runner is injured during the play. The injured player must then sit out of the game for 2 innings. If their spot in the kicking order comes up, their spot is skipped.
6. In order to advance on caught fly ball, Baserunners must 'tag-up' on their original base at or subsequent to the Fielder's first contact with the ball. Failure to tag-up allows the defense to make an out by either tagging the runner with the ball before they return to the original base or by a Fielder in control of the ball touching the original base before the runner returns to it.
 - a. Failure to tag up is not an automatic out. The defense must recognize the failure, and make a play to get the runner out.
7. If a Baserunner passes another Baserunner, the passing runner is out.

8. If a Baserunner is assisted by any other team member, the runner is out.
9. Once the Pitcher has the ball in the Pitcher's Circle, all Baserunners must stop at the base they are running toward unless the Pitcher, subsequent to receiving the ball, attempts to make a play on a runner.

// Pitching

1. A Pitcher may must deliver the pitch within the pitcher's circle (12ft. radius around the pitching strip) and behind the 1st base/3rd base line.
2. A pitched ball must touch the ground at least twice prior to reaching the plate.
3. Pitchers must throw the ball by hand in an underhanded manner. Overhand and/or sidearm pitching are not allowed.
 - a. A pitch is considered thrown as "sidearm" or "overhand" when the ball is released when the arm is perpendicular to the body or at a smaller angle, (45 degree angle or less)
 - i. Pitchers may lean or bend towards the ground during their pitching motion, however, their arm must not be at a 45 degree angle or less during this motion.
 - b. Illegal pitches are determined at the discretion of the umpire.
4. Some League locations may have additional pitching restrictions, listed below.
 - a. Murray Hill Park
 - i. This league is a soft pitching league only. In the eyes of the Umpire, any pitch thrown with too much velocity, curve, or bounce, may be ruled as an illegal pitch, and counted as a ball.

// Catching

1. Teams may have only 1 catcher while on defense that stands behind the kicker within the Catching Zone
2. Catchers may not cross in front of the kicker nor be positioned outside the Catcher's Zone until the ball is kicked.
3. If the Catcher impedes the kicker intentionally or unintentionally, the Kicker will be awarded 1st base and any runners advance if forced.
 - a. If, in the Head Referee's opinion, the Kicker makes an unnatural move and initiates contact in an attempt to draw a Catcher Interference call, the Kicker shall be called

out.

// **Fielding**

1. All fielders with the exception of Catcher must be positioned in fair territory.
2. No fielder may cross the 1st base/3rd base line until the ball is kicked.
3. Fielders may not stand within the baseline unless making an active play on the ball. Interference with a Baserunner results in the runner being awarded the base they were running to.

// **Encroachment**

1. Pitcher's Encroachment occurs when a pitcher crosses the 1st base/3rd base line before the ball is kicked. The Kicking Team has the option of taking the result of the play or taking a ball in the count.
2. Catcher's Encroachment occurs when the catcher crosses in front of the kicker or is positioned outside the Catcher's Zone, prior to the ball being kicked. The Kicking Team has the option of taking the result of the play or taking a ball in the count.
3. Fielder's Encroachment occurs when any non-pitcher crosses the 1st base/3rd base line before the ball is kicked. The Kicking Team has the option of taking the result of the play or taking a ball in the count.

// **Overthrows**

1. An Overthrow is considered any attempt at a base or base runner that misses its intended target and goes into foul territory.
2. An Overthrow allows a Baserunner to advance up to 1 base beyond the base they were running toward when the ball traveled into foul territory.
 - a. If the defense attempts to make a play on the Baserunner while advancing after an overthrow, all Baserunners may attempt to advance as many bases as they choose. It is up to the Head Referee's discretion as to what constitutes the defense 'making a play' on the runner.
 - b. If a ball is thrown at a Baserunner and contacts that runner while not on base and deflects into foul territory, the runner is out and the ball is live. All other Baserunners may attempt to advance as many bases as they choose.

3. If an overthrown ball becomes trapped in any object or a Fielder faces an impediment in getting to the ball, the Head Referee may, for player safety, enforce an Overthrow without allowing the defense to attempt a play.

// Dead Ball Plays

1. If a Baserunner intentionally touches the ball, the runner is out, the play is dead, and any other Baserunners must return to the base they were on at the beginning of the play.
2. If a fair ball becomes trapped in any object or a Fielder faces an impediment in getting to the ball, the runner shall be awarded a ground-rule double, and all other Baserunners may advance 2 bases beyond the base they began the play on.
3. Any play where a potentially serious injury occurs, play will be stopped by the Head Referee immediately.

// Officials

1. We know umpires/referees are essential to a kickball game. Each of our leagues vary on required reffing, so be sure to check the league information provided on our website.

// GOLDEN RULE

First and foremost, all Fray leagues are 50% Social and 50% Sport. While we have staff // officials, we expect individuals to respect the league's culture of fair and fun play. Foul language and rough play will not be tolerated. Individuals who cannot adhere to our standards of fair play and sportsmanship may be asked to leave the league. We want everyone to have fun and be social while enjoying a great sport. We will do whatever we can to make sure all players are having fun!

// GENERAL POLICIES

Fray is proud to relieve captains of the burden of paying for full teams. We accept individual player payments and allow prepayment for additional players and/or full teams. We are also proud to welcome those who do not have a full team (small groups and free agents) to participate in our league.

Because our mission is to make fun possible, these policies make it easier for people to get involved with and build community through social sports.

All registrations are on a first come, first serve basis. Any roster that does not reach our official size (based on each sport) is eligible to receive free agents and/or small groups. Rosters made up of primarily free agents and/or a collection of small groups may have more players than the standard roster size. This policy is in place to help ensure free agent teams are able to consistently field a team each week.
